D. General: Sponsor is not responsible for any winner's privacy or spam filter settings which may divert any Promotion e-mail, including a Sweepstakes prize winner notification or the Instant Win Notification e-mail to a spam or junk folder. Each potential winner may be subject to a background check before the prize is awarded. Sponsor reserves the right to disqualify the potential winner based on the results of such background check if Sponsor determines in its sole discretion that awarding the Prize to any such individual might reflect negatively on the Sponsor. The right to receive a prize is non-assignable, non-transferable and no prize substitution, exchange or cash equivalent will be allowed, except by Sponsor who reserves the right to substitute a prize of equal or greater value in case of unavailability of a prize or force majeure. In no event will more prizes be awarded than are stated in these Official Rules. In the event that, due to technical, typographical, mechanical or other errors, there are more winners than are stated in these Official Rules, a random drawing among the claimants will be held to determine the potential winners. If for any reason, including but not limited to an administrative, printing, production, computer or other error or due to technical difficulties or incorrect announcements of any kind, more winning messages are distributed, or more prizes are claimed than are intended to be awarded according to these Official Rules, the intended number of prizes will be awarded in a random drawing from among all verified prize claims received for that prize.
